You can summon an ender dragon whenever you want using a cheat (game command) in Minecraft. This is done using the /summon command. Let's explore how to do this. Supported Platforms The command to summon an ender dragon is available in the following versions of Minecraft: PlatformSupported (Version*) Java Edition (PC/Mac)Yes (1.7.2) Pocket Edition (PE)Yes (1.0) Xbox 360No Xbox OneYes (1.2) PS3No PS4Yes (1.14.0) Wii UNo Nintendo SwitchYes (1.5.0) Windows 10 EditionYes (1.0) Education EditionYes (1.0) * The version that it was added or removed, if applicable. NOTE: Pocket Edition (PE), Xbox One, PS4, Nintendo Switch, and Windows 10 Edition are now called Bedrock Edition. We will continue to show them individually for version history. Requirements To run game commands in Minecraft, you have to turn cheats on in your world. Summon Command Examples How to Enter the Command 1. Open the Chat Window The easiest way to run a command in Minecraft is within the chat window. The game control to open the chat window depends on the version of Minecraft: For Java Edition (PC/Mac), press the T key to open the chat window. For Pocket Edition (PE), tap on the chat button at the top of the screen. For Xbox One, press the D-Pad (right) on the controller. For PS4, press the D-Pad (right) on the controller. For Nintendo Switch, press the right arrow button on the controller. For Windows 10 Edition, press the T key to open the chat window. For Education Edition, press the T key to open the chat window. 2. Type the Command In this example, we are going to summon an ender dragon that is about to perform a breath attack in Minecraft Java Edition (PC/Mac) 1.14 with the following command: /summon ender_dragon ~ ~ ~ {DragonPhase:7} Type the command in the chat window. As you are typing, you will see the command appear in the lower left corner of the game window. Press the Enter key to run the command. Once the cheat has been entered, the ender dragon will spawn and appear in your world: You will see the message "Summoned new Ender Dragon" appear in the lower left corner of the game window to indicate that the ender dragon has been summoned and is about to perform its breath attack. You may need to look behind you to see it. Congratulations, you have summoned an ender dragon in Minecraft. Command Generators If you need help with /summon commands, you can use these tools to automatically generate commands for you: Other Summon Cheats You can use other summon commands in Minecraft such as:
